Reasons to Quit Smoking

Remind yourself of them every day. They can inspire you to stop smoking for good. Whatever your reasons, you will be amazed at all the ways your life will improve when you become smokefree.

Here are a few reasons to quit you may want to consider:

- I will be less likely to get sick
- I will breathe easier and cough less
- My skin will look healthier, and I will look more youthful
- My teeth and fingernails will not be stained

Quitting will make you feel better and improve your health, and there are other reasons to quit that you may not have considered:

Your Lifestyle:

- I will have more money to spend
- I can spend more time with family, catch up on work, or dive into my favorite hobby

- My food will taste better
- My clothes will smell better
- My car and home won't smell like smoke
- I will be able to smell food, flowers, and other things better
